

Report to the Planning and Zoning Commission

Prepared by the Maricopa County Planning and Development Department

Case:	TA2005007
Subject:	SRP Cellular Communication Text Amendment
Meeting Date:	May 18, 2006
Agenda Item:	1
Supervisor District:	All

Proposal: A proposed text amendment to the Maricopa County Zoning Ordinance to allow "by-right" co-location of cellular communication facilities on existing utility poles and towers.

Recommendation:

1. Staff recommends this Text Amendment be **continued** to the June 22, 2006 ZIPPOR meeting to allow staff to amend the request. Staff would like further time to co-ordinate with the applicant and the wireless industry to provide a more comprehensive rewrite of the Wireless Communication Facilities portion of the Maricopa County Zoning Ordinance.
